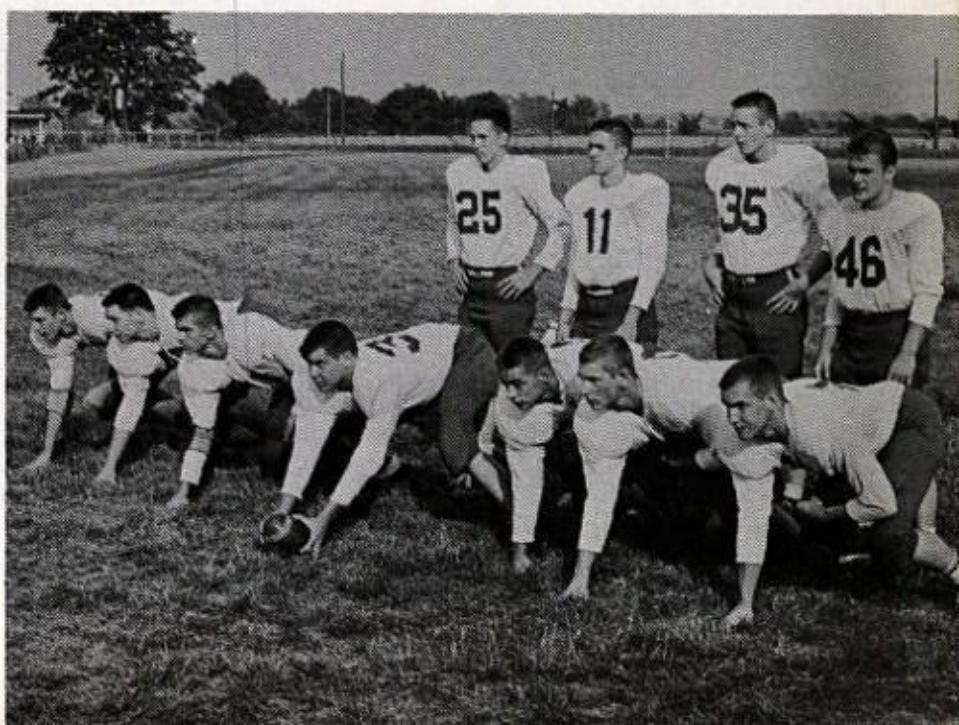
I got it!

The Redbird Starting Eleven—Front Row—left to right: End, Larry Stoner; Tackle, Bill Dosch; Guard, John Slack; Center, Bob Kowalski; Guard, Ronnie Hornbaker; Tackle, Mike Findley; End, Rickey Ring. **Back Row:** Halfback, Don Barrett; Quarterback, Jim Pyle; Fullback, Phil Unger; Halfback, Danny Patterson.



John Livergood, in his second year as head football coach at Royerton High School, piloted his team to a 1-7 record during the 1960 season. This record however, does not reveal the fine team the Redbirds had. Coach Livergood was assisted by backfield Coach Tom DeWitt, and Jr. High Coach Marlin Craig.

Injuries plagued the Redbird squad throughout the entire season, and brought many inexperienced players up from the second teams. Senior end Mike Green and junior fullback, Jerry Hunnicutt were lost due to injuries sustained at the beginning of the season.

Graduating seniors will definitely leave a large hole in the 1961 lineup; graduating seniors are Jim Pyle, Quarterback; Bob Kowalski, Center; Ronnie Hornbaker and Kenny Holland, Guards; Larry Stoner, Mike Green, Rickey Ring and Denny Pohl, Ends; John King, Bill Dosch, Mike Findley and Lloyd Shoopman, Tackles; Danny Patterson, Joe Russell, Halfbacks; Phil Unger, Fullback.

Four Redbirds were nominated for the All Conference Team. Selected for the first team were Danny Patterson and Phillip Unger. Larry Stoner and Bill Dosch were selected to the Second Team and the Honorable Mention team respectively.

"Birds strike again"

Bird's Perfect Season

Beat Royerton! Beat Royerton!, became the cry throughout the county and surrounding territory as our Redbirds soared through an undefeated regular season. This year, the Redbirds posted the first undefeated season ever recorded in Delaware County history. Their record for the regular season was 22 wins with no defeats. The overall record was a remarkable 24 and 1.

Cooperative team play of the entire Redbird personnel this year and their unselfish attitude contributed to the success of this fine record. The clean sportsmanship and fighting competitive spirit of this fine squad cannot be praised too highly. The overall scholastic average of the squad throughout the year was a B+.

For the second consecutive year the M.V.C. championship crown fell to the mighty Redbirds. Their record was 4 and 0 in conference play. As a climax to this fine record, Coach Myron Dickerson was chosen "Coach of the Year" by the officials of M.V.C. Also, Ron Pease and Jerry Pierson were elected to the honorary first team.

In County Tournament play, Royerton walked away with Center for the second time this year to beat tough little DeSoto in a hard fought game. Daleville was the next victim to fall by the wayside before the Redbirds beat Yorktown in the championship game.

Royerton downed stubborn Eaton and Albany in the Section Tournament only to fall in the semi-finals before an inspired Burris team 74-80. Ron Pease was honored by being chosen to the Sectional first team. Doug Piazza was chosen to the second team while David Gray and Jerry Pierson received honorable mention.

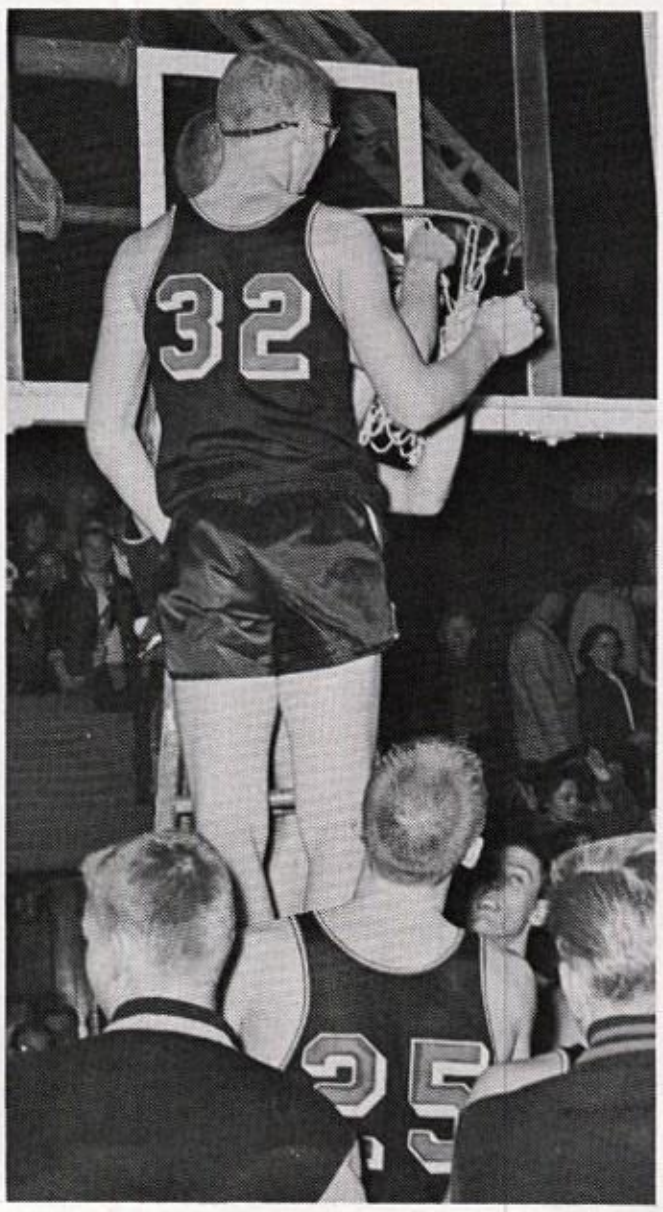
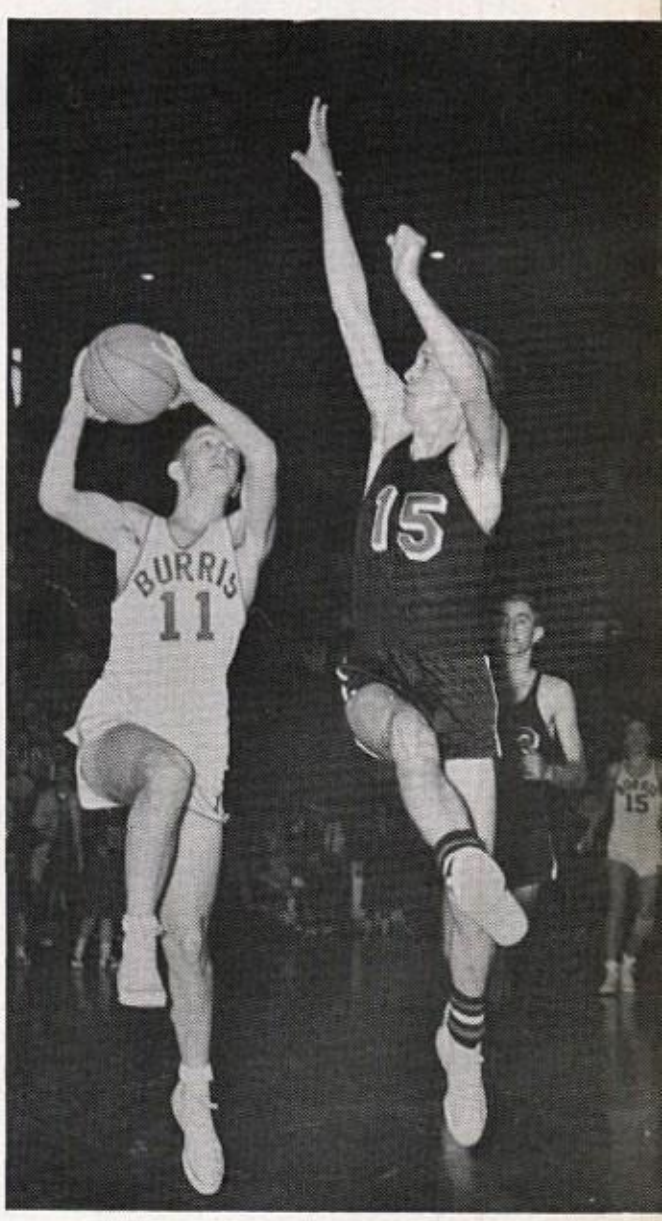
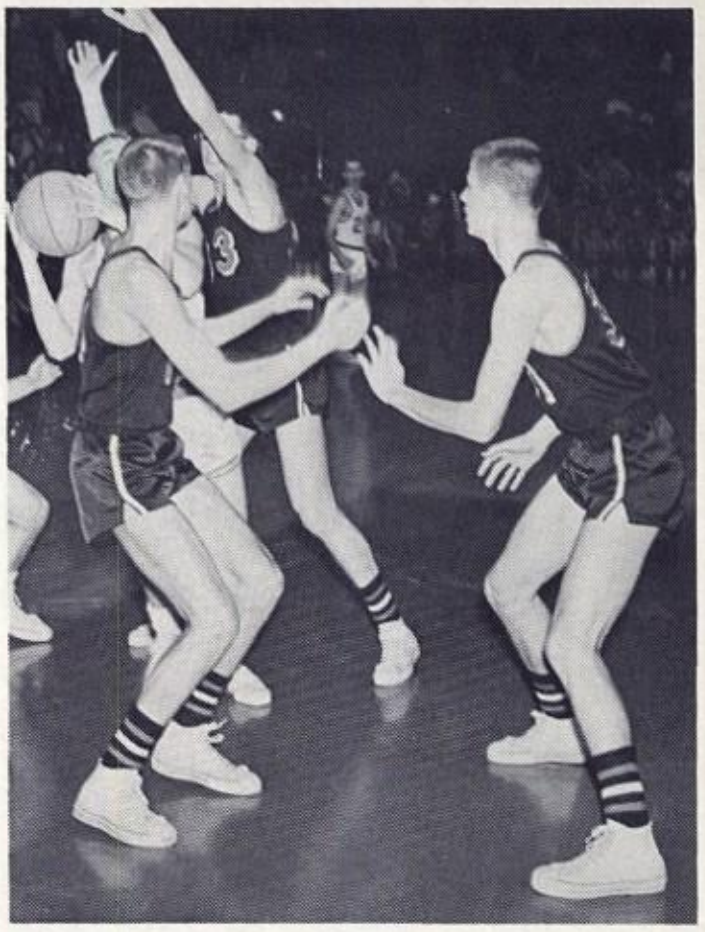
Perfect end to a perfect season!



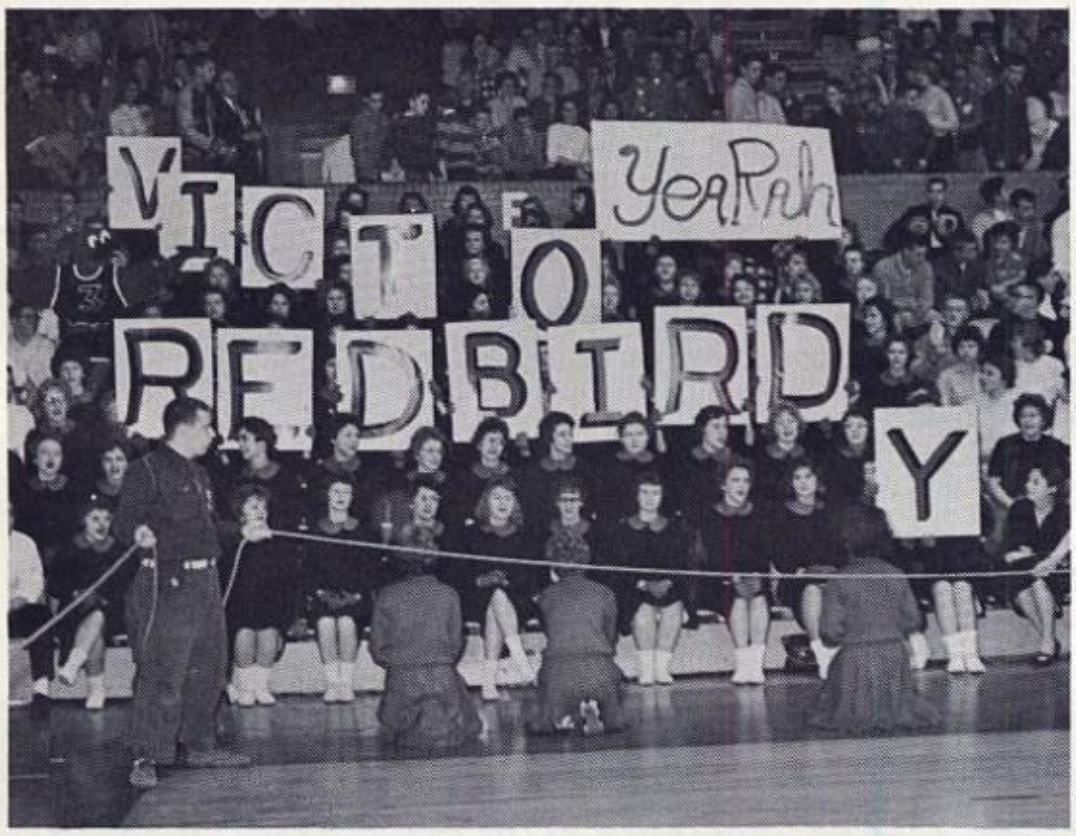
Ballet anyone?



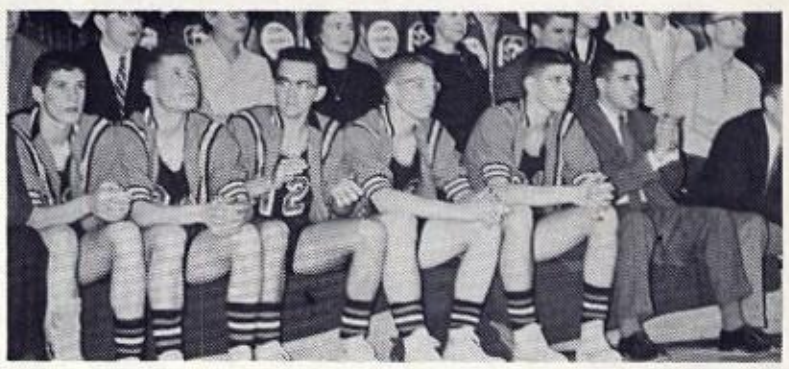
Red towels, red socks, red blazers, and good managers help boost our team to victory.



Our strong defense helped bring victory.



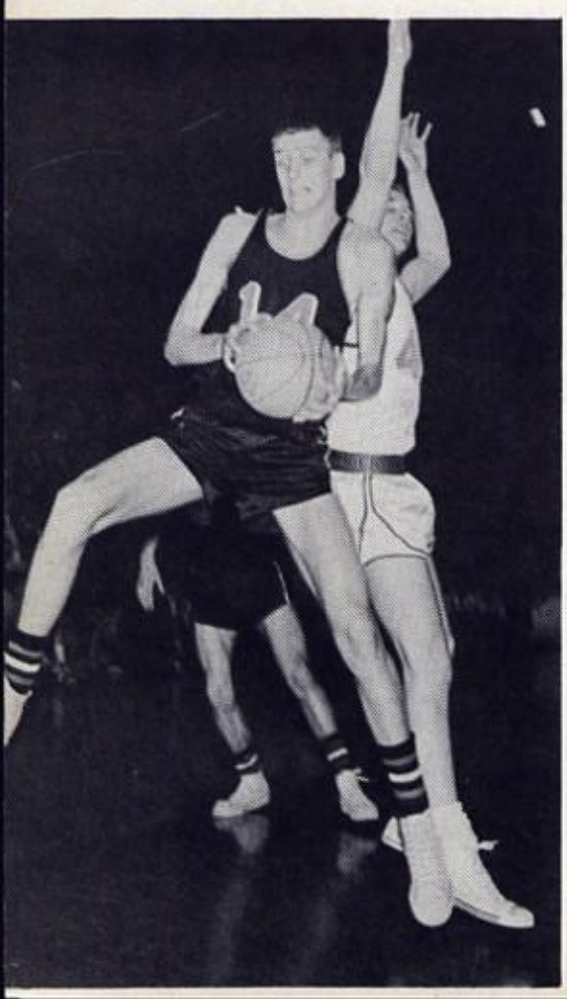
Redbird Victory is our cry!

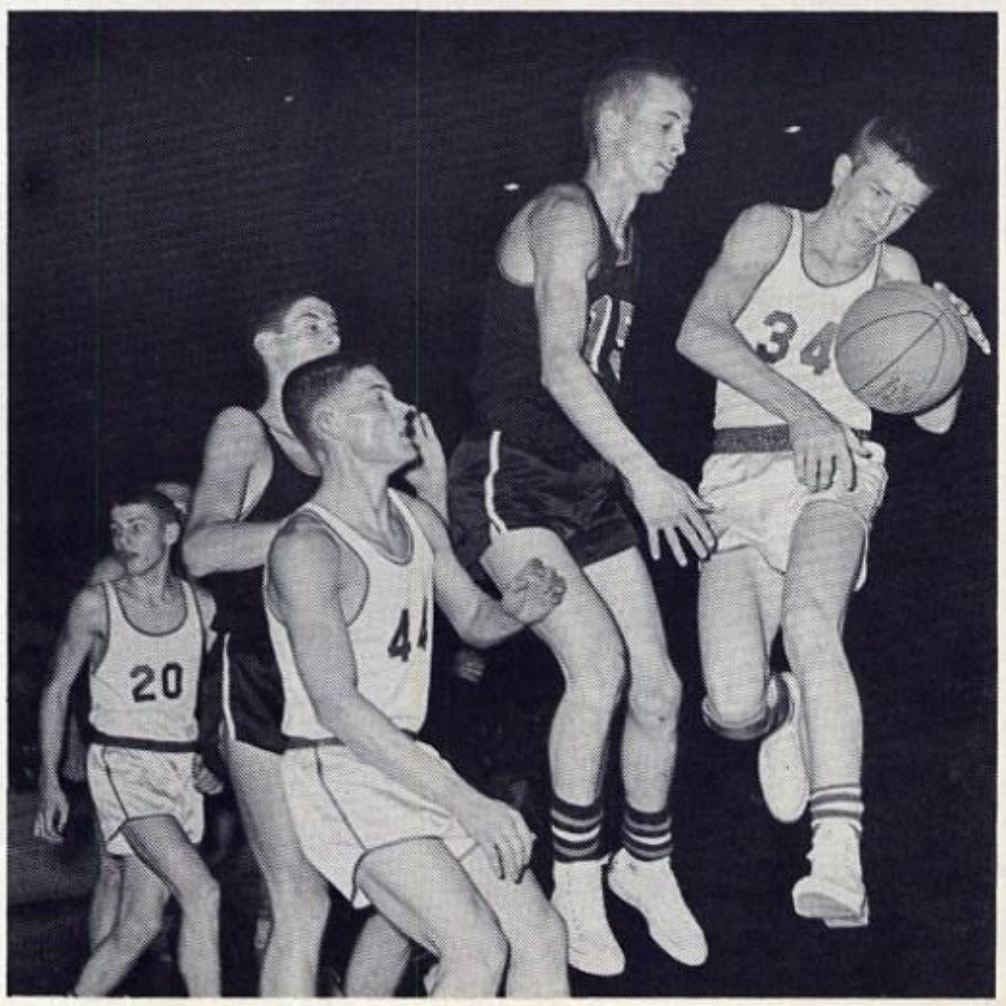


Come on boys!

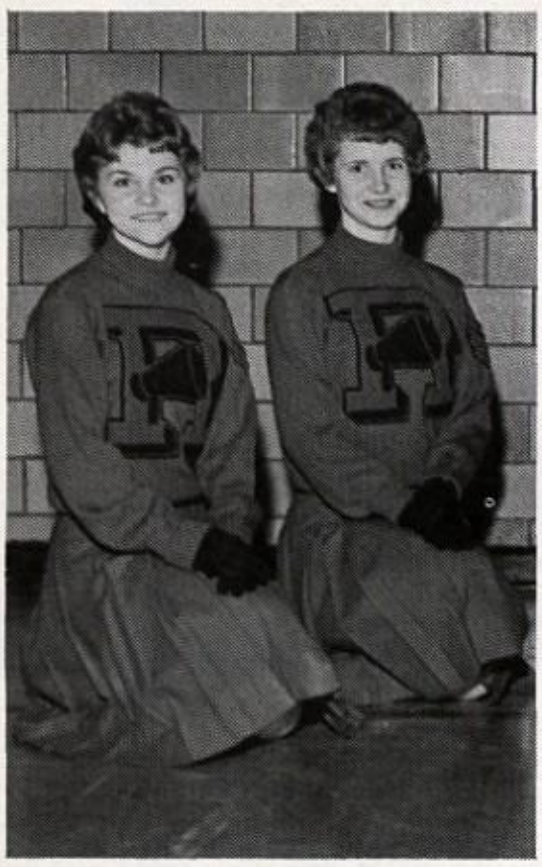
What next, Coach?

Whadda ya mean, step aside?





County Champs for "61"

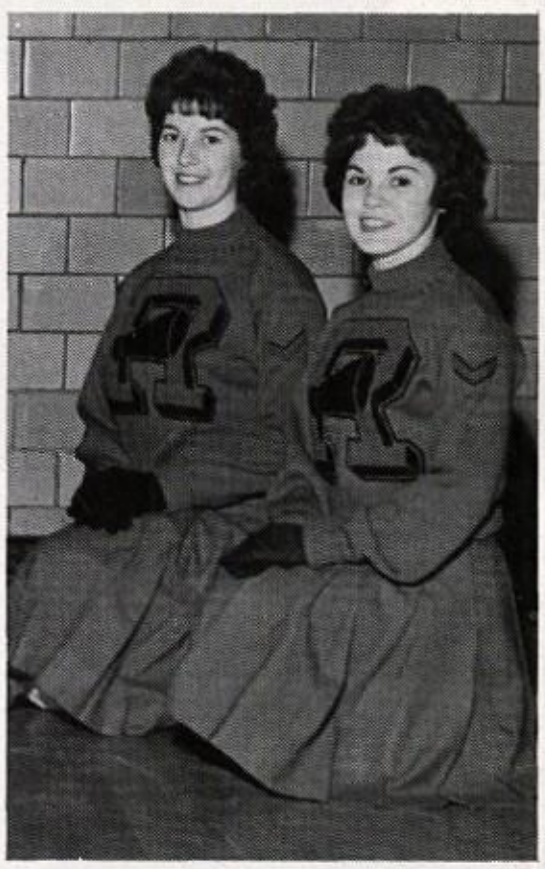


Mary Kay Teboe and Sandy King.

The cheerblock, under the direction of cheerleaders, Mary Kay Teboe, Sandy King, Shelia Heavenridge, and Janet Livingston, played and important part in keeping the Redbird spirit high through an extremely successful year. The pep club also received many compliments on their ability to conduct themselves like true winners throughout the tourneys.

We extend many thanks to our cheerleaders who worked hard throughout the year and produced many clever ideas for tourney skits. Vitality and good sportsmanship have been the keynotes to their work.

Mrs. Marcus and Mrs. Dimlo are the sponsors to be thanked for their help and co-operation.



Shelia Heavenridge and Janet Livingston.

A tense moment in the tourney.

FACULTY

LLOYD PENROD, Principal

The journalism staff is dedicating this page to the men who shoulder the administrative responsibilities of our school and who have guided us through our high school years with firmness and friendship.

Mr. Penrod has been at Royerton, as principal, for five years. In addition to his many other responsibilities, he has taught a speech class and directed the senior play this year.

The problem of preparing the eighth grade for high school and the job of adapting the sixth grade classes to junior high life, falls on the junior high school principal, Mr. Newton. He also teaches general science.

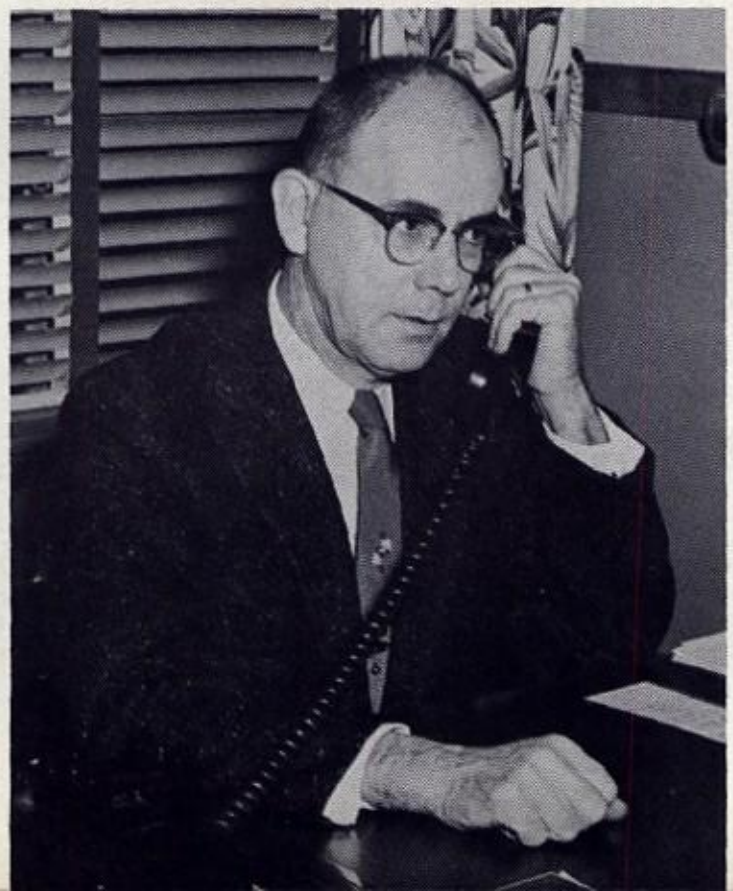
Mr. Carl Miller is the trustee. He is in charge of the finances of the township and the school. Few of us ever realize the problems his job often presents.

Mr. Stebbins serves as our assistant principal. His duties under this title include taking attendance. He is also a biology teacher.

To these men we owe our sincere thanks and gratitude.

MARCUS NEWTON, Junior High Principal

CARL MILLER, Trustee



JOHN STEBBINS, Assistant Principal

Beth -

Ya a truely wonderful girl who I respect very much. Yaure been a friend to me this year when I really needed one. We have had times this year when things didn't go too well, but that always happens. I'll never forget at Sectional time when I stayed at your house. Remember the fun we had? I know you got sick of me! Beth, next year we'll really have a blast even though this year's Seniors won't be here. I'm really grateful for the help and comfort yaure given to me these past two years. Let's have alot of fun this summer while I'm not baby-sitting (ugh!) Yaull make a doll of a varsity cheerleader next year! We've only got two years left so let's make every minute of it count. Beth, yaure a doll. Always stay yours same sweet self and never change. You can even tell me to "Shutup" and I won't cry again.

and prepare for Junior activities.

Best of Luck, Beth.

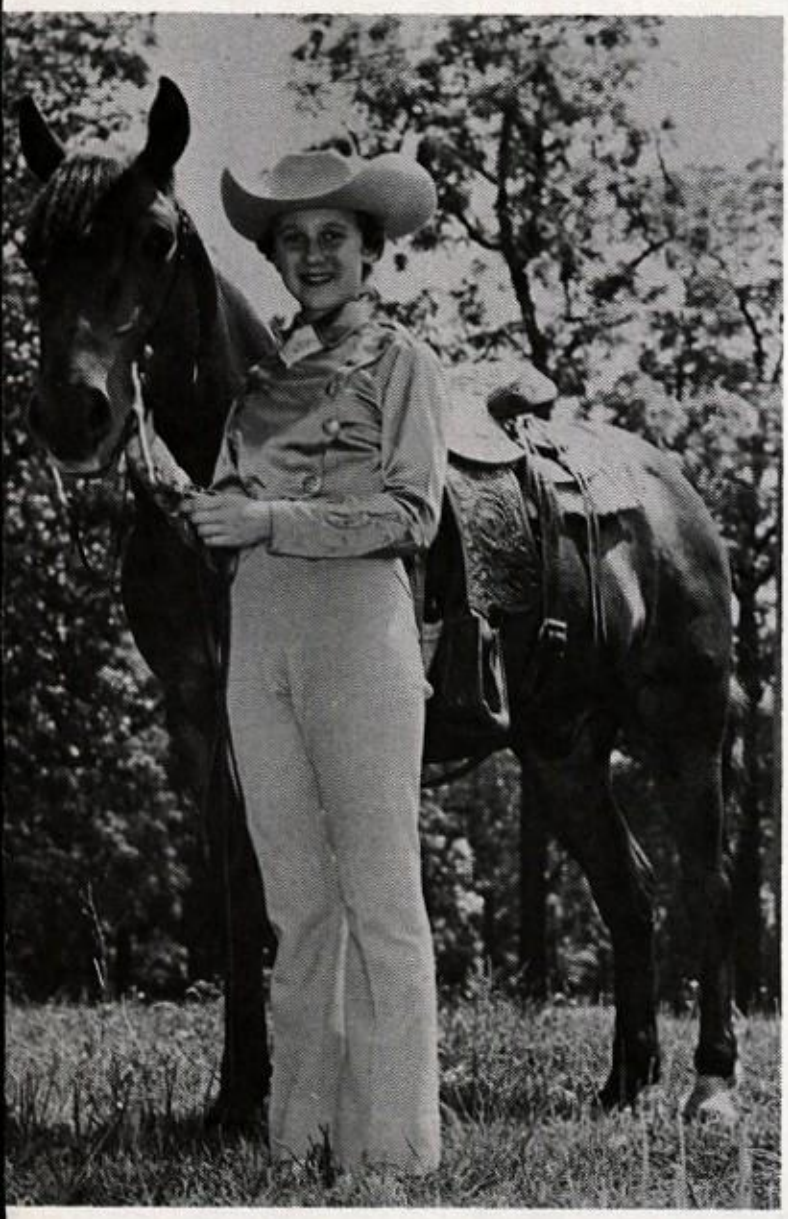
Our 4-H organization is a part of the largest organization for girls and boys in the world. One hundred and sixty-two members make ours a very large club in comparison with others in the county. Each year 4-Her's have many interesting and unforgettable experiences. For example; club picnics, 4-H tours, the fair, and special achievement trips. As in any project, a good job will be rewarded and 4-H is no exception. Representatives of our club have attended, Purdue Roundup, the Junior Leaders training conference at De Pauw, Club Congress in Chicago, and other achievement trips.

Junior Leaders also play an important role in the 4-H story. This is a group of older 4-Her's who are picked for their leadership abilities to help the adult leaders and to assist younger members with their projects. The Royerton club has 9 boys participating in this program and 10 girls. This is the largest representation in the county.

Because of the hard work involved, many people have the false idea that 4-Her's do not have fun along with their projects. However this idea can be foiled by looking at the club picnic we had last summer and the many good times spent at the fair. Many intangiable benefits are also available to 4-Her's including the self satisfaction that one has after the completion of a satisfactory project.



Suzie Oren took first place in the state for horsemanship.

Spanish Club members prepare for visit of foreign students.

LA CERVANTINA

Have you seen any new faces around school from time to time? If you have, chances are these new faces are Latin American students who are here at Royerton as guests of Mrs. Werner and the Spanish Club. These exchange students are: Miss Carmen Ochoa of Mexico, Miss Clara Tueros of Peru, Miss Carmen Soto of Bolivia, and Mr. Julio Benitex, also of Bolivia.

This year, our active Spanish Club got off to a good start with a meeting at school where interested students and the Club's guests got acquainted. Later, in October, the 2nd year Spanish students enjoyed a carry-in supper at Mrs. Werner's home. Also in October, the Club held their formal initiation with a candle-light ceremony in the dining hall. At the November meeting, Miss Diane Soyez and Miss Carmen Ochoa gave talks to the Club and showed slides about Mexico. The home of Suzy Oren was the site of the December meeting, where Mr. Julio Benitex talked to the Club about Bolivia. In April, the Spanish Club climaxed a year of activity with their Dinner Dance at the Delaware Country Club.

The opening of school touched off another tuneful year with the High School Band and Chorus swinging into action. The Band started its season's activities by marching at the football games. Meanwhile the Robed Choir performed at the Masonic Temple, Y.W.C.A., and special programs at school.

A program entitled Songs in Colorama was presented by the juniors and the all girl dance band at the Junior Carnival.

The holiday season was brightened by the newly formed Senior Octet, which sang at the Christmas convocation. The Senior Choir and the Junior Girls' Sextet also presented a Christmas musical at the Top Hat.

During the basketball season, the band presented several colorful half-time shows. Making their initial appearance with the band were the Pom Pon girls. This all girl corps entertained the audience with many clever routines and dances.

As a final effort the band and chorus rehearsed and re-rehearsed for the year's annual State Band and Chorus Contest held at Ball State.

With the help of Mr. Shafer, the Rho Sigma Chi Society, otherwise known as the Royerton Science Club, formed ten new divisions this year. These are Astronomy, Biology, Physics, Chemistry, Electronics, Geology, Meteology, Nuclear Science, Photography, and the Rocket Division. Each division's members participate in separate projects. There are approximately fifty members in the Science Club.

During the year, the Science Club visited the Muncie Water Works, the Muncie Sewage Disposal, and repeated last years visit to Ball Memorial Hospital. The members of the Science Club in the Chemistry II class also visited the Eli Lilly Company in Indianapolis.

In addition to field trips, our monthly meetings have helped to promote our purpose of creating interest in science and mathematics.

Girls' Athletic Association, one of Royerton's more active organizations, was formed for the purpose of promoting sportsmanship, athletic interest, and athletic activity among the members. This year the G.A.A. had sixty-seven members, with eighteen senior members receiving honor jackets. Money making projects consisted of the G.A.A. Jump and selling candy. Profit from these projects was used to buy the senior honor jackets.

The G.A.A. had a rather short but undefeated softball season. Their basketball and volleyball season was equally successful with victories by both the first and second teams.

Mrs. Marcus and Mrs. Demlow were the G.A.A. sponsors.

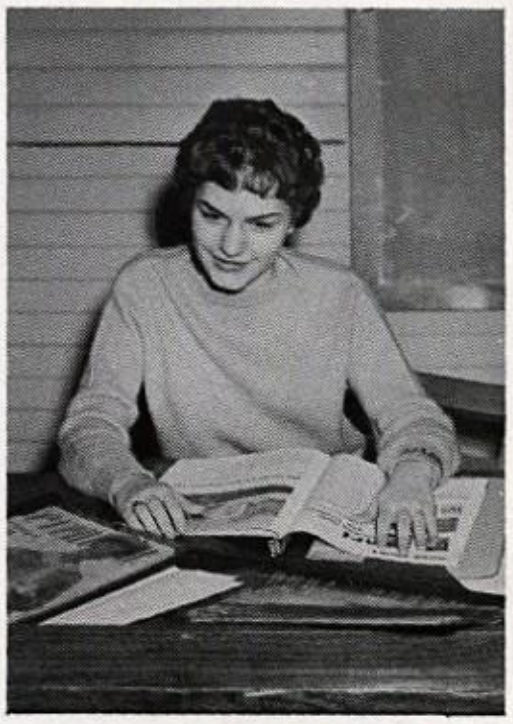
ROYERTON REVIEW

As members of the ROYERTON REVIEW staff, we will certainly remember 1960-61 as an eventful year. We found that writing was not as easy as we thought, and hopefully we floundered through that first interview and first story. We remember the happiness we felt when the first school paper was completed. Looking back we can recall the times when things did not run too smoothly . . . the times that it seemed like dreaming to think that deadlines would be met. But somehow, we seemed to make those deadlines and another review went to the presses. We members of the staff wish to express our gratitude and appreciation to Mrs. Dorcas Hufferd, without whom it would have been impossible for us to publish the ROYERTON REVIEW.

Typists, Louise Hardwick and Peggy Collings, rush to meet deadline.

Janis Carter, Fashion Editor, gets ideas from magazine.



Dixie Ball, Sports Editor, interviews Mr. DeWitt.

Sherrill Slattery writes up report.

Gossip! Gossip! Kathy Elmore and Cynthia Van Fleet.

Faye Smith finds material.

Newswriter, Mary Kay Teboe, gets a story from Mrs. Marcus.

Becky Osborn and Jim Pyle work on layouts.

Jerry Hunnicutt, Ron Cool, and Larry Sloan get ideas from newspaper.

Photographer, Steve Dallaire, did vital work for Panorma.

Journalism students "swim" through an evening at the coke machine!!

PANORAMA

Deadlines to meet – Saturday sessions – pictures to take . . . and retake . . . and take again–glue on everything but the right thing . . . all of these are involved in producing the PANORAMA. It has meant endless work and worry, but also fun and a sense of achievement now that the final, seemingly impossible, deadline has been met.

We wish to express our thanks to Mr. Phillips and the members of the faculty and student body who helped so much after Mr. Phillip's accident.

To Beth

You are one of my best friends if not the best. I love you like I would a sister and you mean more to me of then anyone. We have gotten real close this year. I will get a lot closer this summer. You talked about me helping you with some of your problems will you let me help you with all of them. I think of two years from now and then I'll know what you are going through today. but I'll love a lot more then just Jim all love all my wonderful girl friends. And don't think my senior years will be fun.

Will we have two more years to go and I'll try to make them fun. I'll never be a mother Beth and I'll always be your friend. I hope next year we'll be dearleaders together but I doubt if I get it. I really haven't had a chance to prove just how much your friendship means to me but some day I hope I'll be able to. Don't worry about Bobby I know he loves you, and it will always last. Maybe when we both get married we can be each others maid of honor but I doubt if you want me to be yours. Beth you know that you will always be my best friend even if I'm not yours.

I Love Always.

Autographs

Beth,

Well, its the end of another year and we'll I mean we're still together. I've had lots of fun this year but had more in "58" Remember? I'm sure looking foward to this summer at the Water Bowl. Beth, I've really enjoyed knowing you and being with you these past four years and I hope the nest two will be the same. I'm sure they will because our friendship will always hold strong. I'm glad you're still with Phil for you make a perfect couple. Don't you think my man's a doll, too? I'm braggin'. Looks like I'm still the baby (haven't got these license yet) I'll never catch up with you & Shelah. Right?

Beth, you're a very cute, tuff, sweet etc. etc. girl. Stay that way always as I'm sure you will. With your looks and personality you'll certainly go far.

I'm glad we're still friends and I'll always cherish your friendships.

I want to wish you the best of luck in the would in everything you do.

Good Luck with Phil!

Love ya' Barbara (Davis) "63"

P.S. Aren't you proud of me, I didn't cry!

Beth.

Well, four years have passed and we are still the best of friends. You know, sometimes I have been miffed up and without your advice I don't know what I would have done. This year seems like we have been closer than last year and I hope we will be more so as the years go by. They say it takes distance to make you know how much you think of someone; but I think I can say right now that I could hardly think any more of someone than I do you. Beth, things are really going to be different when Phil & Bill graduate, but I know someday you are going to be proud of "Mr. Irresistible" when he becomes a wonderful doctor.

You know, next year I'm hoping that we can be varsity yell leaders together and if so I know it will be more fun than I can ever imagine. This summer there is going to be fun in store for us & I hope we make that trip to Indianapolis as we have planned. Can't you just see the two of us in the big city "shopping."

Beth, if ever two girls had a lot of memories, I think they just couldn't top ours. Someday we will probably laugh at some of the stupid things we have done but right now I can only remember one and you know what that is. I hope you know who will forget about it someday.

Beth, we've had lots of fun, laughs and a few troubles but I think all the good things out weigh the more unpleasant ones without a doubt.

Good luck to you always and maybe I'll even rate bridesmaid at your wedding someday.

Love always,
Sheila.
